

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

UNITED STATES OF AMERICA,

Plaintiff,

v.

KING ISAAC UMOREN,

Defendant.

Case No.: 2:16-cr-00374-APG-NJK

**Order Granting Motion to Correct
Sentence**

[ECF No. 306]

At the November 30, 2022 sentencing hearing, the government requested and I imposed restitution for Counts 14-23 totaling \$4,659,101. Judgment has not yet been entered. The government now moves to correct the restitution amount for those counts by reducing it to \$34,795. ECF No. 306. The defendant does not oppose. *Id.* at 3.

The government notes that the restitution amount it requested is inappropriate under the statute of conviction for Counts 14-23. Federal Rule of Criminal Procedure 35(a) provides: “Within 14 days after sentencing, the court may correct a sentence that resulted from arithmetical, technical, or other clear error.” A statutorily incorrect restitution amount is “clear error,” so correcting it falls within the scope of this rule. Because the motion is supported by good cause, I will grant it and alter the restitution amount for those counts.
